1. China legal holidays for New Year and Spring Festival

Please kindly note that we will have legal holidays on **January 01 ,2024** (for New Year) and from **February10~17,2024** (for Spring Festival).

As usual, some products supplying will be tight and shipping cost will increase one month around our Spring Festival holidays. So if you have any purchase plan during our holidays, please kindly inform us in advance, then we will arrange production and shipment in advance.

2.The Israeli-Palestinian conflict affect international shipping which lead to the European routes sea freight increase much.

The Israeli-Palestinian conflict triggered a crisis in the Red Sea, many shipping companies decided to bypass the Cape of Good Hope , which will lead to the European routes sea freight increase much . For small quantities goods, we suggest to ship by air or by courier.

3.Adjust price for some of our hot selling products with lower price.

Because of production capacity expansion and technology improvement, we will adjust the price for some of our hot selling products like **L-Glutathione reduced** and **Copper Tripeptide-1 (GHK-Cu)** in January 2024. If you have any new inquiry please feel free to contact us, we will offer our latest best price.

☆ New Products Introduction

Here we want to introduce our **high quality Undenatured Collagen type II powder** with below information:
